### **Work Experience**

2002 – Present

Shanghai Verniciari Paint and Coating Manufacturing Co. Ltd

With the financial support of private Italian investors to start an industrial project, I set up a factory in Shaoxing, Zhejiang Province in China to make paint and coatings for the Chinese domestic market.

I am one of the members of the Board of Directors and hold a 20% equity in the business.

The factory and business was then relocated to Xinqiao, Songjiang District of Shanghai.

I hold the position of Administrative and Finance Director, and also the role of Human Resource Director. In the first 3 years, my responsibilities included the production of paint and coatings and the quality control of the material and products.

Over the years, I have acquired proficient skills in government relations, especially in the areas of taxation, business

administration, labour department and industrial area administration. This is a great achievement for me, under the circumstances of my foreign nationality, communication and cultural differences.

1991 – 2002

Administrative Director of Fondo Edo Tempia Onlus

A non-profit cancer research institution in Biella, Italy. The institution also focuses on the prevention, cause and treatment of cancer.

My general management skills was displayed in this business, that is both specific and at the same time varied, as it is both public and private and is closely connected to public health.

My responsibilities included financial planning and I had to provide various resources for a project for a laboratory of nano-biology for cancer research.

1985 – 1991

Chief of the Board of Cooperativa Sociale La Betulla of Bioglio (BI)

My skills in general management was displayed and successfully proven in this organization. This organization is more challenging than other organizations as 50% of the workers were mentally challenged and the main focus of the organization was to reintroduce them to the workforce and to society.

1981 – 1985

Accountant and the responsibilities of Chief Executive Officer of Casa di Risposo di Mosso Santa Maria and Pistolesa Borsetti.

I demonstrated my skills in the area of accounting of public corporations.

1972 – 1981

Software Analyst and Programmer in Filatura di Chiavazza (Vigliano Biellese – BI)

In this textile company, I was in charge of checking on the company, from the production to the delivery, the sales department and prepare the financial statements.
