

MIND THE GAP

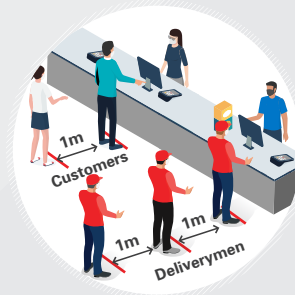

Safe Management Measures at Food & Beverage Establishments (Updated: 15 May 2021)

Accept takeaways and
delivery orders only.
No dining-in

Customers, staff and
delivery personnel to wear
masks at all times

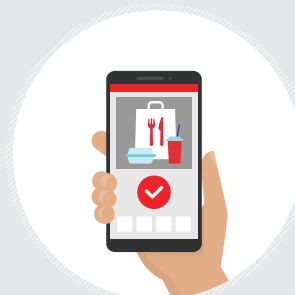

Separate queues for customers
and delivery personnel. Clearly
mark out queueing areas and
space them out by at least 1m

Do not carry out any events
and promotions that will
cause crowding

No public entertainment
such as live music, radio
broadcast, TV/video
screenings and karaoke

Implement mobile
ordering, pre-ordering
and contactless payment,
where possible

From 15 June 2021,
F&B establishments required to
deploy SafeEntry will need to
provide SafeEntry Gateway as an
option for check-in
