

MIND THE GAP

Safe Management Measures at

Retail Establishments and Lifestyle-Related Services

(Updated: 15 May 2021)

Only allow groups up to 2 persons and maintain 1m spacing between customers

All malls and large standalone stores >930 sqm of Gross Floor Area (GFA) can only allow 1 person per 16 sqm of GFA

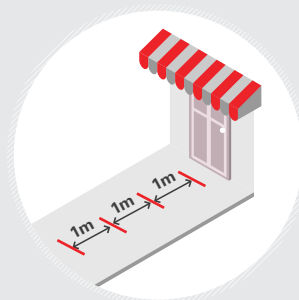

Customers, staff and delivery personnel to wear masks at all times

"Mask-off" services and activities cannot carry on (with the exception of medical/dental services)

Do not carry out any events and promotions that will cause crowding

Demarcate queue lines clearly

From 15 June 2021, Retail establishments required to deploy SafeEntry will need to provide SafeEntry Gateway as an option for check-in

Remove product samples and testers

Disinfect common areas and clean high touch items frequently
